

MUDASSAR QAYYUM

Manchester - M19 1QG | mudassarqayyumuk@gmail.com | +447823646670

PROFESSIONAL SUMMARY

Full Stack Developer with an MSc in Software Engineering and hands-on experience in React.js, React Native, and Node.js. Skilled in building responsive web and mobile applications using modern JavaScript frameworks and REST APIs. Experienced in developing real-world projects including e-commerce, healthcare, and food delivery platforms.

TECHNICAL SKILLS

Languages: JavaScript (ES6+)

Frontend: React.js, React Native, Next.js, HTML5, CSS3

Backend: Node.js, Express.js

Databases: MongoDB, MySQL

Tools & Methods: Git, GitHub, REST APIs, Agile, Debugging, Testing

PROJECTS

Medicine365 Web | React.js

- Built a responsive medicine delivery platform enabling users to order healthcare products online
- Implemented an order management system to track purchases from cart to delivery
- Integrated REST APIs for real-time product and order data handling

Pet Accessories Store | React.js

- Developed an e-commerce platform with product listings, filtering, and order management functionality
- Integrated REST APIs to manage dynamic product data and improve checkout efficiency

Cheezy Now | React Native

- Created a cross-platform food delivery mobile app with real-time order tracking and restaurant listings
- Integrated APIs to fetch live menu and restaurant data for up-to-date user experience

Weather Forecast App | React Native

- Developed a mobile app providing daily and weekly weather forecasts
- Integrated third-party REST APIs for real-time weather data

Fitness Tracker App | React Native

- Built a fitness tracking application with guided workouts and progress monitoring features
- Designed user-friendly interfaces to enhance engagement and usability

WORK EXPERIENCE

Computer Lab Assistant - ASR Model School, Sharaqpur, Pakistan

2022 – 2024

- Maintained and troubleshooted computer hardware and software, reducing system downtime
- Provided first-line IT support to staff and students, resolving technical issues efficiently
- Managed the school's website and social media platforms, improving online presence

EDUCATION

MSc Software Engineerings

2024-2025

- University of Greater Manchester (formerly University of Bolton), UK

BSc Computer Science

2018-2022

- University of Management and Technology, Lahore, Pakistan
